Good Morning,

Attached is the H&S Plan included in the Response Plan. I don't think TRC sent us anything new when we implemented Phase 3. I also included our DTSC Hazard Appraisal and Recognition Plan (DTSC's version of H&S Plan) which was updated in August 2016 before we started and again in September 2017 for the ongoing work.

Thanks

Greg

Hey Greg,

Can you please send me the Ag Park health & safety plan, so I can attach it to a health & safety plan I need to make? Our office is getting more stringent about these things : /

Thanks,

Sara
